NSE ASI Dwindles by 0.13% amid Renewed Bearish Momentum; NIBOR Rises on Renewed Liquidity Strain...

The Nigerian Stock Exchange shed 13bps on renewed profit taking activities, particularly on shares of GUARANTY, ZENITHBANK, ACCESS and UBA which dwindled by 1.85%, 1.81%, 3.25% and 1.57% respectively, dragging the NSE Banking 1.50%. This was in spite of the bulls outnumbering the bears (23 gainers against 16 losers) at the close of business today. Consequently, the year to date loss of local stocks exacerbated to 12.04% from 11.93%. Meanwhile, NIBOR rose for most tenure buckets on renewed liquidity squeeze; also, NITTY increased across maturities tracked amid renewed sell pressure. In the bonds market, the prices of OTC FGN debts were flattish for most maturities tracked; however, FGN Eurobond values rallied for all maturities tracked on sustained bullish activity in the international debt market.
